EXPERIENCE

GIT SENIOR PROJECT, Tempe, AZ

Arizona State University, October 2022 - December 2022

The senior project was crafted to showcase our expertise and depth of understanding within our chosen educational concentration. Spanning three months, it encompassed a structured framework of guidelines, anticipations, and timelines, fostering deeper comprehension of the subject matter and the project's particulars, culminating in a portfolio-worthy piece.

- Created illustration using Adobe Illustrator to meet specific project needs.
- Used visual concepts to illustrate brand values and client visions.
- Provided recommendations on ways to enhance the overall user experience.
- Refined existing designs to ensure consistency in branding.
- Designed sketches, wireframes, mockups, and prototypes using Figma and Balsamique.
